

# NO 10 PEONY SWEATER

Sweater worked from neck down  
Knitting skill level: \*\*\*\* Experienced  
Instruction: Olaug Beate Bjelland

## Sizes:

(XS-S) M (L) XL (2XL) 3XL

## Measurements:

Bust: (87) 95 (102) 111 (120) 129 cm

Length: (56) 57 (58) 59 (60) 61 cm, or  
suitable length

Sleeve length: 50 cm, or suitable length

All measurements are for the finished garment  
= personal body measurements + movement  
allowance. The measurements are all according to  
given tension.

## Yarn:

TYNN LINE (53 % cotton, 33 % viscose,  
14 % linen, 50 g = 220 m)

## Yarn required:

Lt.aubergine #4361: (5) 6 (7) 7 (8) 8 balls

## Suggested knitting needles:

Circular 2.5 mm and 3 mm

Double pointed 2.5 mm

Needle sizes are only suggestions. If your knitting  
shows tighter tension, use thicker needles, for looser  
tension use thinner needle.

## Tension:

27 sts St-st with 3 mm ndls = 10 cm

## GSR = German Short Rows:

After each turning always sl first st p-wise,  
(as working k2tog), lead yarn over right  
ndl, pull yarn firmly at the back until 2  
loops on ndl.

The 2 loops count as 1 stitch.

When working rows/rnds with loops, work  
loops tog to 1 stitch.

## Inc right:

From the back insert left ndl under yarn  
between 2 sts and k the new st.

## Inc left:

From front insert left ndl under yarn  
between 2 sts and k tbl the new st.

**INFO:** Work sweater with pattern from  
neck down and inc for round yoke. Then  
inc for raglan.

**NOTE:** This garment is classified at knitting  
skill level 4, because of the challenge  
working lace pattern on every rnd.

## Yoke:

With 2.5 mm circular ndl cast on (116)  
120 (124) 128 (128) 132 sts. Join and work  
2 cm ribbing k1, p1 in rnds.

Insert marker at beg of rnd = middle back.

Work and turn short rows with **GSR** to  
shape a deeper neckline at front (as  
explained) in this manner:

Work (38) 40 (42) 44 (44) 46 sts ribbing,  
turn, work (76) 80 (84) 88 (88) 92 sts  
ribbing, turn. Work ribbing and turn in  
the same manner, but turn 6 sts before  
previous turning until a total of 5 times  
at each side. After last turning work 1 rnd  
ribbing over all sts.

Change to 3 mm circular ndl, k 1 rnd **while**  
inc (4) 8 (12) 16 (16) 20 sts evenly spaced  
= (120) 128 (136) 144 (144) 152 sts.

Work 3 rnds St-st and inc on next rnd as  
follows: \*k4, **inc left**\*, rep from \*-\* in the  
rnd = (150) 160 (170) 180 (180) 190 sts.

Work 4 rnds St-st and inc on next rnd as  
follows: \*k5, **inc left**\*, rep from \*-\* in the  
rnd = (180) 192 (204) 216 (216) 228 sts.

Work 5 rnds St-st and inc on next rnd as  
follows: \*k6, **inc left**\*, rep from \*-\* in the  
rnd = (210) 224 (238) 252 (252) 266 sts.

Work 6 rnds St-st and inc on next rnd as  
follows: \*k7, **inc left**\*, rep from \*-\* in the  
rnd = (240) 256 (272) 288 (288) 304 sts.

## Tips before beg of diagram:

Check carefully that every rnd is  
knitted according to diagram. It is quite  
complicated to correct mistakes without  
unravel the work. Beg every new rnd at  
marker and let a thread marker follow  
along for each new rnd.

Pattern meas approx 7 cm.

## Work diagram.

Inc (40) 44 (48) 52 (52) 56 sts evenly  
spaced on next rnd = (280) 300 (320) 340  
(340) 360 sts.

Work (8) 8 (10) 10 (10) 10 rnds St-st, **at**  
**the same time** insert 4 markers for raglan  
inc on last rnd as follows:

Work (43) 46 (50) 54 (56) 59 sts (= ½  
back), work and insert marker around  
next st, work (52) 56 (58) 60 (56) 60 sts (= sleeve),  
work and insert marker around  
next st, work (86) 92 (100) 108 (112)  
118 sts (= front), work and insert marker  
around next st, work (52) 56 (58) 60 (56)  
60 sts (= sleeve), work and insert marker  
around next st. Rnd beg here with sts for  
the back.

**Inc right** before each marked st, **inc left**  
after each marked st = 8 sts inc.

Rep inc on alt rnds (10) 11 (12) 13 (16) 18  
times = (360) 388 (416) 444 (468) 504 sts.  
Divide work for sleeves, back and front as  
follows:

Work (108) 116 (126) 136 (146) 156 sts  
(= the back), transfer (72) 78 (82) 86 (88)  
96 sts to spare ndl for sleeve, cast on (10)  
12 (12) 14 (16) 18 new underarm sts,  
work (108) 116 (126) 136 (146) 156 sts  
(= front), transfer (72) 78 (82) 86 (88) 96  
sts to spare ndl for sleeve, cast on (10) 12  
(12) 14 (16) 18 new underarm sts

## Back and front:

= (236) 256 (276) 300 (324) 348 sts.

Insert marker at middle of the new  
underarm sts at one side = beginning of  
rnd.

Cont St-st in rnds with 3 mm circular ndl  
until garment meas (53) 54 (55) 56 (57)  
58 cm, meas from shoulder and straight  
down with garment placed flat, or 3 cm  
before suitable length.

Change to 2.5 mm circular ndl and work 3  
cm ribbing k1, p1 in rnds.

Cast off loosely rib-wise.

□ k

⊗ 1 yo

⊞ k2tog

⊞ sl 1 k-wise and transfer this  
st k tbl to left ndl, k2tog tbl

⊞ sl 1 k-wise, k2tog, pssso  
NOTE: For rnds beginning  
with this symbol, work k2tog  
and pass last st from previous  
rnd over

### Sleeves:

Transfer sleeve sts to small 3 mm circular ndl, and knit up 1 st in each of the (10) 12 (12) 14 (16) 18 underarm sts = (82) 90 (94) 100 (104) 114 sts.

Insert marker at middle of the new sts = beg of rnd.

Cont St-st in rnds until sleeve meas 46 cm, or 4 cm before suitable length, **at the same time** dec evenly spaced (28) 32 (34) 38 (40) 46 sts on last rnd = (54) 58 (60) 62 (64) 68 sts.

Change to 2.5 mm double pointed ndls and work 4 cm ribbing k1, p1 in rnds.

Cast off loosely rib-wise.

Work other sleeve in the same manner.
